

NEW TORTELLONI FROM LA FAMIGLIA RANA IS SALMON ELSE

La Famiglia Rana adds new Smoked Salmon Tortelloni to its ever-growing range of delicious fresh-filled pasta

Italy's favourite pasta maker, La Famiglia Rana, brings one of Europe's favourite delicacies alive with a new *Smoked Salmon Tortelloni* variant. The Smoked Salmon Tortelloni flavour will be rolled out in 250 Sainsbury's stores across the UK, with prices starting from £2.50.

The high-quality salmon used in this recipe adds a gentle smokiness to the tortelloni filling, providing a tender melt in the mouth experience. In addition, each tortelloni parcel mixes creamy ricotta cheese with whole salmon, so every mouthful is smooth and succulent.

The new variant adds to the existing range of Rana Tortelloni, which includes: Spinach and Ricotta; Spicy Nduja Sausage and Ricotta; Prosciutto & Mozzarella; Chicken and Smoked Pancetta; Ragu Bolognese, Mushroom and Mascarpone; and Aubergine Parmigiana.

La Famiglia Rana uses only the freshest and highest quality ingredients, ensuring a mouth-watering experience for pasta lovers. Crucially, the tortelloni filling is chopped, not blitzed, to highlight the flavours within every delicious parcel.

The Rana family pride themselves in the freshness and quality of their products, so every ingredient is carefully selected and tasted to ensure maximum enjoyment.

The newest addition to the family's world famous, fresh filled pasta range brings a delicate burst of flavours that is ready to eat in just two minutes - perfect for great tasting, easy lunches or speedy suppers without ever compromising on quality.
